A Time of Stillness

Winter is definitely here! While many think of the winter as a cold, dull time of year, it is truly a time of stillness and preparation for rebirth. Everything is resting until the weather warms up and an abundance of God's beauty and creation will burst forth in beautiful colors this spring. It is the same with our hearts. Spending time in God's word and in prayer is our human form of stillness and preparation for rebirth. As we study His Word, pray and contemplate, we are in a time of stillness. As we let his Word soak into our minds, body and heart, we leave refreshed and reborn to go and handle our particular situations with renewed energy. The more time we spend with God, the more our hearts are filled with gratitude and we can even begin to see our troubling situations in a new light and with a calmness of spirit that allows God to swoop in and help us. Winter is a perfect time to be still, contemplate and count our blessings.

Cornerstone has much to be grateful for and we are excited for what the year holds. We give glory and praise to God, our community, our donors, our guests, and our combined ability to transform the lives of the people who come for our services.

We have so many blessings to count thanks to people like you and thank you for your hearts to serve the poor and the neediest in our community. Our hearts are grateful that you are part of the Cornerstone family!

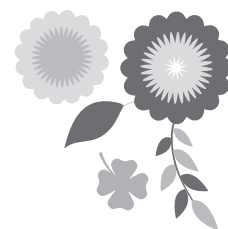

Peace,
Lysa

A Fun Night for Cornerstone Employees

Every January the employees and board members of Cornerstone gather for a relaxing evening of good food, games, prizes and fellowship at the Rushmore Plaza Holiday Inn. The employees of Cornerstone face challenges every day in providing the best care possible to our guests and this party is a chance to relax, have some laughs, and enjoy the company of their coworkers in a non-work related setting. This year Brenda Biberdorf (with the help of her son Jamison) led the group in fun games and kept the evening rolling. Cornerstone has great employees and board members and we ask God to bless them, protect them, and give them wisdom to do their important work!

Westminster Presbyterian – A Blessing to the Women & Children's Home

For the last few years the Women & Children's Home has been blessed to be a recipient of part of Westminster's year-end giving project. In the past they have replaced flooring and furnished a classroom/conference room. This year the \$2,500 that was generously given to us will be used to replace a TV that no longer works and to replace some worn out furniture. I know the ladies will be excited to have a TV that works again! We want to thank everyone at Westminster Presbyterian for their generosity and for being such a blessing to the Women & Children's Home!
